## Bond issues in 2025

### A year of strong growth

CIC teams carried out 102 transactions in 2025 (+57% vs. 2024).

The highlights were record-breaking:

- **Corporate EUR**: 80 mandates, of which 45 as active bookrunner and 7 as global coordinator.
- **FIG EUR**: 19 mandates, including euro-denominated bond issues for Crédit Mutuel Alliance Fédérale.

We would like to once more thank our clients for their trust in 2025.
