### ***About CIC Corporate & Institutional Banking***

---

*CIC Corporate & Institutional Banking unites all of Crédit Mutuel Alliance Fédérale's corporate and investment banking expertise under a single brand. CIC Corporate & Institutional Banking draws on recognised expertise in the fields of corporate banking, capital markets and asset servicing, both in France and in our international branches. These areas of expertise are brought together under a single brand and form part of an integrated organisation structured around coverage and global business lines.*
